

EAGLES VOICE 1953

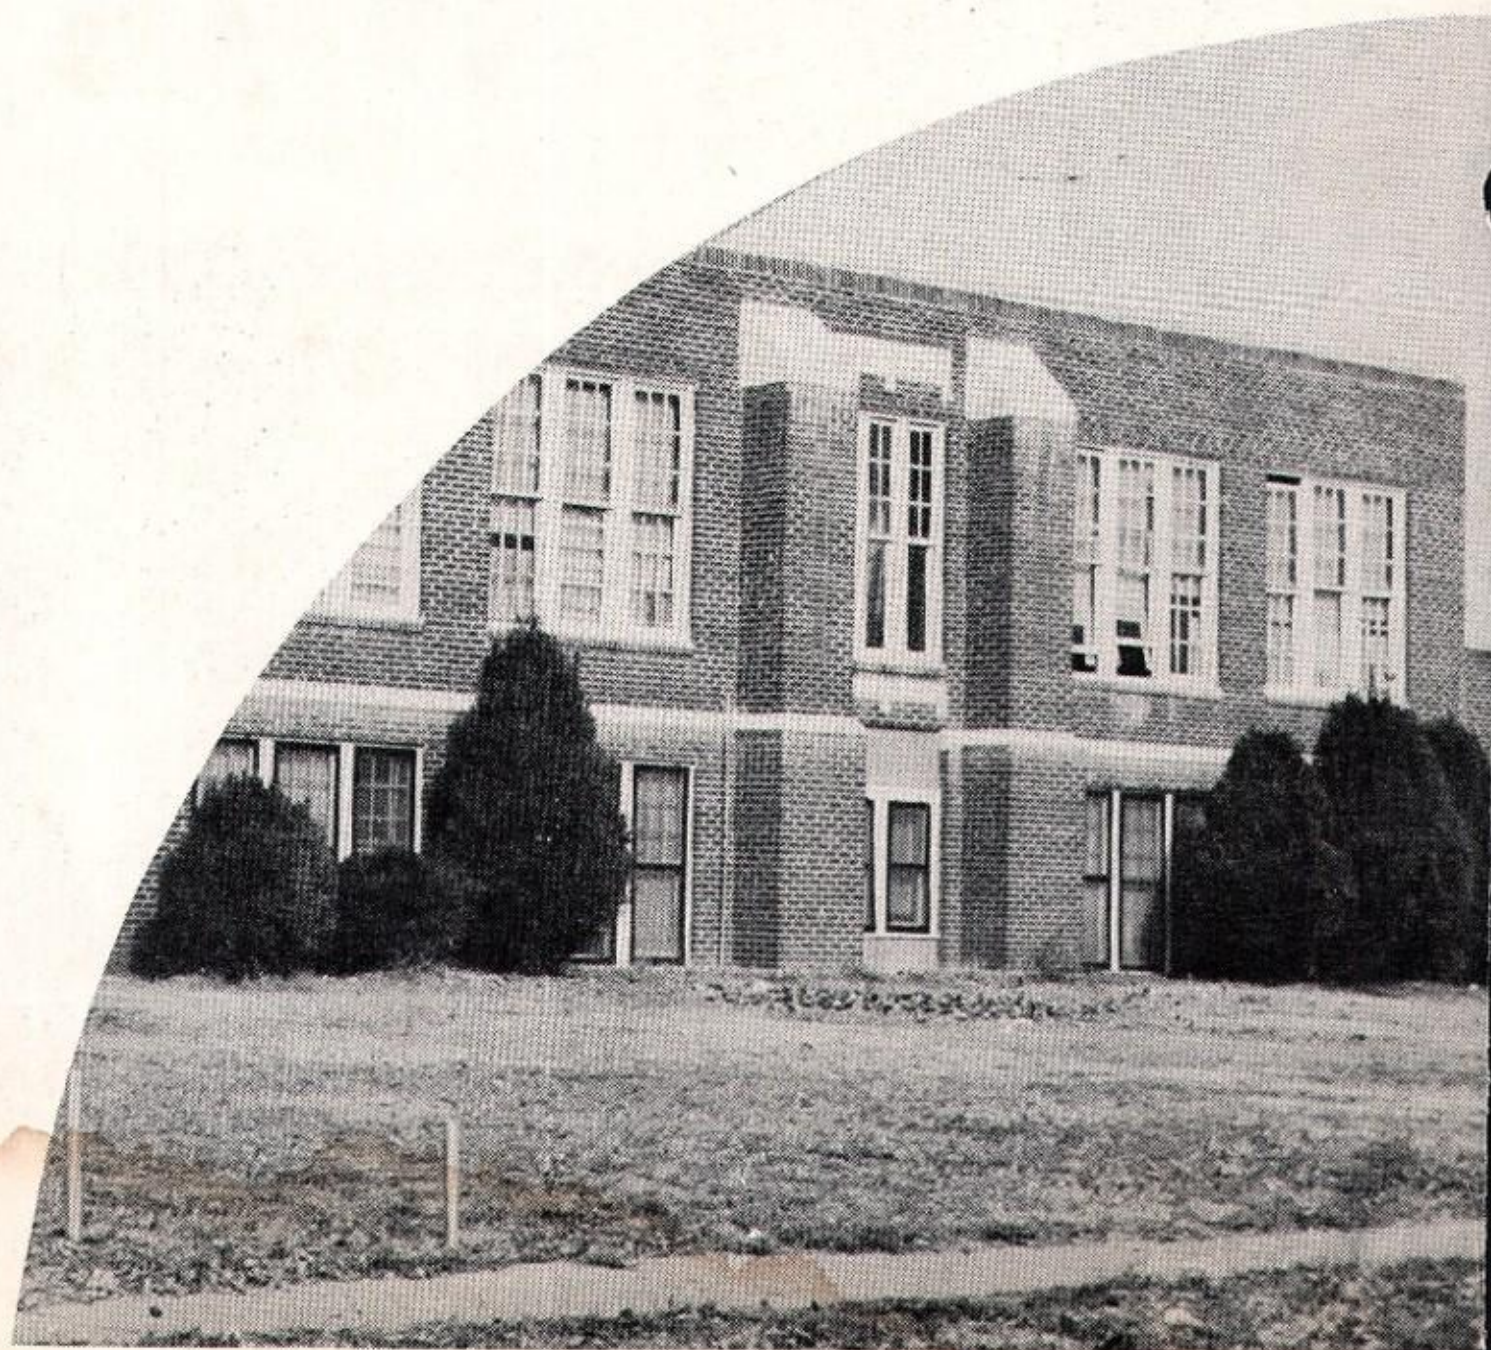

THE
1953

Eagle's Voice
PRESENTED BY
Annual Staff

Foreword

If, when you have turned the pages of this annual, you recall happy days spent in Wilson High School; then this annual has achieved its purpose.

Dedication

In appreciation of your having gone before and having prepared the way for us; and in appreciation of the wonderful heritage which you have given to us, we respectfully dedicate to you, the Alumni of the Wilson High School, the 1953 edition of "The Eagle's Voice."

We wish to give especial mention to Mr. Eugene Brimer, the first graduate of the Wilson High School. It was he who selected our school colors - the black and gold.

In Memoriam

The Wilson School faculty and student body were shocked and saddened on the morning of September 29, 1952, when they heard of the sudden death of Mr. A. N. Daniels at his home in Wilson.

For thirty-one years Mr. Daniels, or Ikey, as he was familiarly known by both old and young, has been a resident of Wilson, having moved here with his father's family in 1921. He was a member of the Wilson football team in 1922 and 1923. On June 10, 1925, he was married to Miss Eva Rambo of Henrietta, Oklahoma. He is survived by Mrs. Daniels, three sons, and two daughters.

On April 4, 1947, Mr. Daniels was appointed from Ward One as a member of the Wilson Board of Education. On August 27, 1951, he was elected by the Board as its vice-president, in which office he served until his death. As a board member he was held in high esteem by the other members of the Board and by the superintendent and faculty of the Wilson schools.

Mr. Daniels was always ready to assist in any project which would improve the Wilson school system, from which one of his daughters and two of his sons have graduated. Another son and a daughter were attending Wilson school at the time of his death.

Ikey's contagious smile and genial disposition had won for him a warm place in the hearts of all who knew him. Truly the Wilson schools and all citizens of Wilson suffered a great loss in the passing of their friend, Ikey Daniels.

Board Of Education

We, the members of the Board of Education of Wilson Public Schools, wish to extend our greetings and heartiest congratulations to the students, faculty, and patrons of our public school system for another successful school year made possible by your help and cooperation.

Our commendation to members of the annual staff and sponsor in the production of "The Eagle's Voice". In days to come it will remind us of the golden days of the school year of 1952-53. It will also enable us to watch with pride our graduates of this year, as they fulfill their obligations and accept their responsibilities in our community, our state, our nation, and the world.

We thank God for the faithfulness of all of the members of our faculty without which our schools would be a failure. May His blessings be upon you accordingly.

Finally, for the spirit of friendliness and cooperation of every individual and organization that has helped our school to "carry on" in such a splendid manner, we wish to say "Thank You" one and all.

Sincerely yours,

BOARD OF EDUCATION

Superintendent's Message

To the Annual Staff:

My, how time flies! It seems only yesterday that I was asked to write a message for the 1951-52 annual staff. Nevertheless, all of us realize that this is a new year and a new staff again compiling the events and highlights of our school life for our new 1952-53 annual

It seems that each year our annual becomes better. I believe that this year's annual will be the best, and I am very happy for the invitation to contribute a message to it. It is through the hard work of you, the annual staff, and Mrs. Pass, the annual sponsor, that these annuals become a treasure to be cherished by students and teachers alike.

School activities are very much like real life. We have our good times and our bad times. Happiness and sadness are mixed throughout our school days. The schools and the teachers are helping our youth to grow up prepared to meet the many problems they must face in future years. I believe our teachers, student body, and many people in our community are doing a good job in preparing our young people to meet life's challenge.

This has been a year of achievement in many phases of our school, yet it has also brought sorrow to us, too. Our school was saddened at the passing of A. N. Daniels (Ikey). Mr. Daniels was Vice-President of the Wilson Board of Education. He passed away in September, 1952. "Ikey" was an ardent worker and supporter of our schools. He enjoyed seeing our students have better opportunities and better schools. Those of us who worked with him in the school and for the school will long remember "Ikey" for his loyalty and encouragement to the student body and to his fellow workers.

We must look forward to building a better school and better citizens. Our thanks to the parents and patrons, the P.T.A., the Band Parents Association, Quarterback Club, Rotary Club, Wilson Alumni, American Legion and Auxiliary, and the many other organizations that have helped to make our school year more pleasant and profitable.

If we assume our responsibilities as cheerfully and perform them as efficiently as you have done in preparing this annual, the future can hold no defeats for us.

Sincerely yours,

A handwritten signature in cursive script, reading "H. D. Gound".

H. D. Gound

Principals

One of the purposes a school has in publishing an annual is to offer to the students and parents some kind of tangible memory of the school year.

Whether you have fond memories or regret for the things accomplished, depends largely on the amount of effort you put forth on your lessons, activities participated in, friendships made with teachers and fellow students, and the kind of citizen you were this year.

It is my hope that your reflections will bring pleasant memories of a job and duty well done.

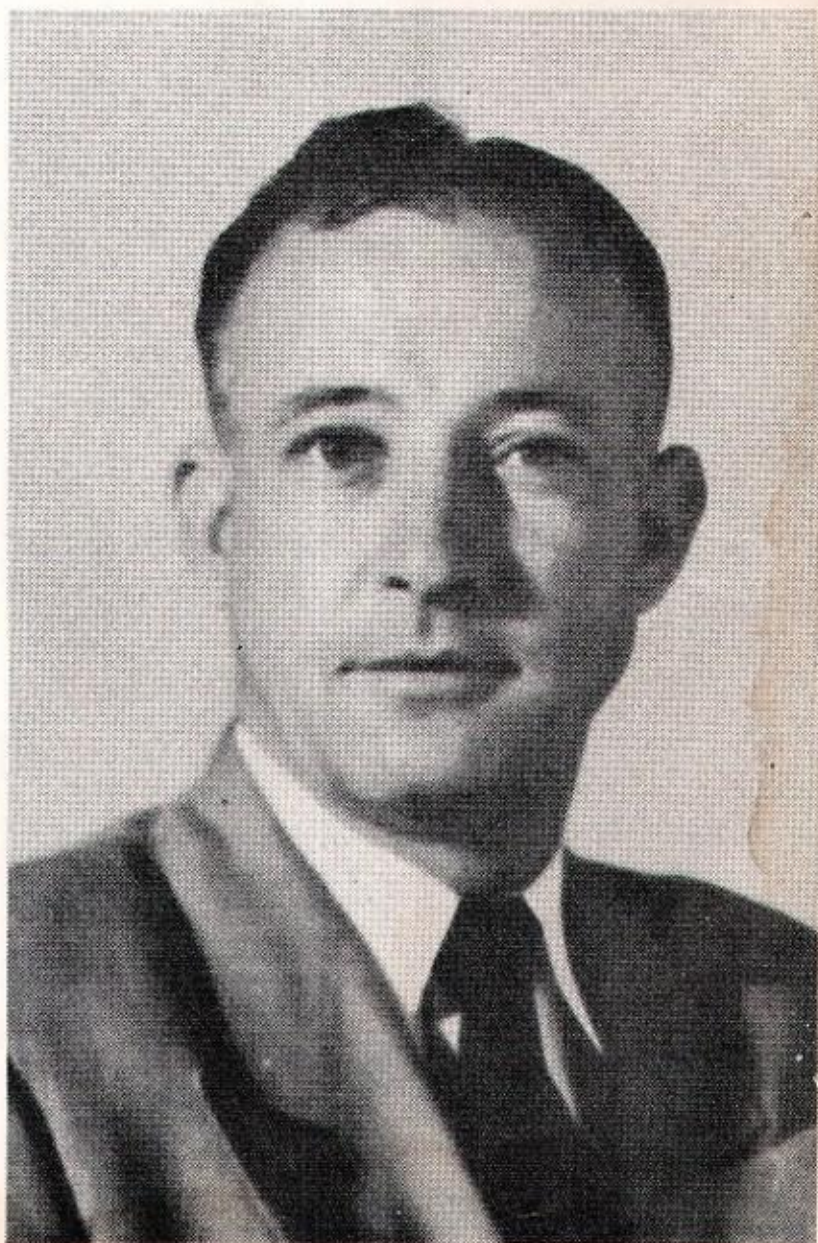

J. W. Duncan

The Southward Staff is highly appreciative of having had a part in the success of any boy or girl.

There are no limitations on what a community can do when everybody joins together for the major task - doing the best for our children.

We join in complimenting the editorial staff of this year book.
